

## Terms of Office and Register of Interests: Directors 2022-2023

The Mid-Trent Academy Trust ensure that Directors and all other staff are not involved in activities that might conflict with their role within the trust. It is especially important to demonstrate that individuals do not benefit personally from the decisions made by the Directors, unless such decisions are made openly and legitimately. As such the register of interests must be available on the school website.

This should be updated fully each year and reviewed during the year. It is incumbent upon all Directors to make the Mid-Trent Academy Trust aware of any changes during the year.
